Have insurance? You may go to your local pharmacy and obtain age-required immunizations using your health insurance card. (MMR and VARICELLA may not be covered by insurance)

Tiene seguro de salud? Usted puede obtener casi todas las vacunas utilizando su seguro medico con su doctor o en la farmacia (MMR y Varicella usualmente no son cubiertas)

*MMR vaccination requirement: The CDC requirement reads "1 or 2 doses depending on indication"; therefore, it leaves it up to the discretion of the officer to determine if this vaccination requirement is fulfilled with a single dose of this vaccine.

*MMR vaccination requirement: The CDC requirement reads "1 or 2 doses depending on indication"; therefore, it leaves it up to the discretion of the officer to determine if this vaccination requirement is fulfilled with a single dose of this vaccine.

*MMR or SRP (Sarampión, Rubeola, Paperas) El departamento de CDC (Centros para el Control y la Prevención de Enfermedades) recomienda de "1 a 2 vacunas dependiendo de los requerimientos individuales"; por lo tanto se le deja al juicio del oficial para que interprete y decida a su propio juicio si la segunda dosis es requerida.
